Company Overview

GnArmy Capital and Management Ltd

An indigenous Nigerian company actively engaged in the development, mining, and trading of sub-bituminous coal from Enugu State.

Strategic partnership with the Nigerian government and other stakeholders to leverage the region's significant coal reserves.

Our Operations

Based in Enugu State, Nigeria's key energy hub, we are positioned to capitalize on substantial coal resources for domestic and international markets.

Strategic Partnership

Working in partnership with the Nigerian government and stakeholders to develop coal resources

Mining Operations

Active mining operations at two distinct sites in Enugu State, ensuring consistent supply

Trading

Comprehensive trading platform for sub-bituminous coal, connecting producers with buyers

Enugu State Coal Deposits

Enugu State boasts substantial sub-bituminous coal reserves, positioning it as a key player in Nigeria's energy sector.

Confirmed Resources

500 Million tons of coal confirmed as available for mining

GnArmy's Allocation

Direct access to 50 Million tons of coal at our mining site

Resource Sustainability

The substantial resource base ensures the long-term viability and sustainability of coal mining operations in the region, providing security of supply for our partners and buyers.

Coal Reserve Distribution

Mining Operations

Active Mining Sites

GnArmy Capital and Management Ltd operates two distinct mining sites in Enugu State, both currently active and operational.

-  Mining operations are ongoing at both sites
-  Ensures consistent supply of quality sub-bituminous coal
-  Modern mining techniques and equipment

Product Quality

Specializes in sub-bituminous coal, a versatile energy source suitable for various industrial applications.

-  High-quality sub-bituminous coal

MT/month

Logistics & Shipping

Shipment Port

All shipments are facilitated through **Onne Wharf**, located in Port Harcourt.

This strategic port provides efficient access for international maritime trade, ensuring timely and reliable export of coal.

Shipping Options

To accommodate diverse buyer preferences and logistical needs, GnArmy offers flexible shipping arrangements:

GnArmy-Arranged Shipping

GnArmy can arrange a shipping company on behalf of the buyer.

Buyer-Selected Shipping

The buyer retains the right to secure and present their own preferred shipping company.

Commercial Terms
